

PRESS RELEASE

FOR IMMEDIATE DISSEMINATION

Jain Irrigation - pipe division bags Bhusawal (Maharashtra) Water Supply project of INR 845 mn

Jalgaon 09th October, 2017 : Jain Irrigation Systems has bagged Bhusawal (Maharashtra) Water Supply project of INR 845 mn (Rs 84.50 Crore) from Bhusawal Municipal Council (Maharashtra) through national competitive bidding. This project has received funding under the AMRUT scheme of the Central Government.

The project involves work from source to the customer's premises. The work involved in this project is intake structures, water treatment plant, 220km pipe line which includes raw water, pure water main pipelines & distribution system, 11 Nos of RCC elevated Storage tanks. This scheme will take care of water supply to Bhusawal city (Maharashtra) for the next 30 years. Under the project, water will delivered from the Tapi river to the people staying in the Bhusawal (Maharashtra) city. The project will be implemented in 24 months.

At present Jain Irrigation is executing various projects in water supply sector including 24x7 water supply schemes in India & abroad. Jain Irrigation is also executing various projects in micro irrigations system, piped irrigation projects, Drip with solar pumping projects.

Shri Atul B. Jain, Joint Managing Director, after receiving the order said that, this project is one more milestone in our progress to be a complete player in the entire water infrastructure space. We look forward to many more such opportunities as India invests in much needed drinking water supply, treatment and distribution infrastructure.
